CREDIT INFORMATION

If you apply for, have, or have had, a loan including a mortgage

The CRAs will add this data to their database and any centralised database used by them, which is available to other credit providers to help them assess whether to provide you with credit. You can ask us what data is routinely disclosed to CRAs, and make further data access and correction requests to them if needed.

The CRAs will keep your data. You can request that we ask the CRAs to delete it once you've fully repaid your loan. They will only do this if:

- none of your payments were more than 60 days overdue in the 5 years before you fully repaid your loan. If they were, the CRAs will keep your data for 5 years from the date you fully paid that missed payment;
- you're not declared bankrupt with an amount under your loan being written off. If you are, the CRAs will delete that record after 5 years from the date you're discharged from bankruptcy (you must tell them when this happens) or 5 years from the date you fully repay the overdue loan amount.

This notice will apply for as long as we store your data. We'll normally send you the latest version once a year. In case of discrepancies between the English and Chinese version, the English version shall apply and prevail.
